Smart Band 3/8 inch (10mm)

HAND TOOL – TECHNICAL LEAFLET

PART NUMBER: **SM-TA-528A**

Smart Band 3/8 inch (10mm)

HAND TOOL – TECHNICAL LEAFLET

Introduction

The Smart Band 3/8 inch (10mm) Hand Tool is designed to be used with the HCL range of 3/8 inch (10mm) Smart Band products.

Features

The items marked on the diagram provide the following functions:

Cutting Blade
Allows the SmartBand to be cut without any additional tooling.

Spring Returns
Returns tool arms to the 'open' position when pressure is released.

Pawl
When handles are squeezed, pawl grips Smart Band and pulls it through the buckle until desired tension is achieved.

Handles
Ergonomically designed and over-moulded in Santoprene for increased comfort and grip.

Maintenance

Clean and lubricate the tool regularly to maximise its working life, especially in salt water environments.
